THE LATE EARTHQUAKES .- Heartrending details of the disasters caused by the earthquakes continue to arrive in Rome. At Diano-Marlano yesterday a child of 12 and her father were extricated from the debris, when the latter expired upon the spot. The survivors at Diano-Mariano say that a majority of the victims were killed by the second shock, the people having te-entered their houses to procure clothing. The sum of \$15,000 has been found in the ruins there Bodies wrapped in shronds lie in the middle of the streets.

At Bussana only a church steeple remains standing. The soldiers there are still searching the ruins. They have rescued twenty-seven persons, all of whom are more or less

The panic was renewed at Genoa yesterday on a false report that Father Denza had predicted another shock. Both there and at Savona the people refuse to return to their houses. They sleep in carriages and

improvised places of shelter.
Signor Genala, Italian minister of public works, has visited Bajardo and attended the funeral of 230 victims of the church cellar,

funeral of 230 victims of the church cellar, who are buried in a common trench in the cemetery. He also made arrangements for a temporary hospital for the injured.

Slight oscillations were felt yesterday at Albenga and Porto Maurizio. Relief committees are being organized but it is impossible to supply the numerous wants. A bill will be introduced in the Italian parliament for a credit of \$1,000,000 for relief purposes. Signori Denza and Bianchi, experts, say for a credit of \$1,000,000 for feller purposes.

MRS. WINSLOW'S SOOTHING SYPER, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhee, griping in the bowels, and wind-colic.
